## FFA Leadership Training Center in Haines City

The Federation's summer meeting and Awards Banquet will be held in a "natural" environment at the Florida FFA Leadership Training Center. The FFA Center, nestled among trees and adjacent to the Allen David Broussard Catfish Creek Preserve State Park, is just a short drive from Orlando or Tampa, but miles away from traffic and urban congestion! Watch a brilliant orange sunset on Lake Pierce, or explore a quiet nature path. There are many outdoor recreational activities at the FFA Center. Visit their website to learn more:
